OPEN HOUSE TO HIGHLIGHT GILLESPIE PLANS

Environmental Scoping Meeting Set For Nov. 3

Gillespie Field's neighbors, pilots, local business owners and others have a chance to find out what's in the works for the 70-acre parcel that was once home to Cajon Speedway. County Airport officials are holding an Environmental Scoping open house meeting Thursday, Nov. 3, 6-8 p.m. at the Gillespie Field terminal, 1960 Joe Crosson Drive in El Cajon.

Displays showing the past, present, and future of the parcel will be in place as well as areas the agency may acquire in fee or easement for safety zones. Members of the public are invited to complete comment cards. Airport staff will be available to answer questions.

In addition, displays will remain in place in the airport's lobby until Dec. 20, the end of the public comment period.
